Additional Information, Terms & Conditions

**Allergies, Dietary Restrictions, Behavioral Issues or Medical Conditions:** please describe any and all of the following:

Allergies	
Dietary restrictions	
Behavioral/ Developmental Issues/ Delays	
Medical conditions	

Unless this section above indicates otherwise to the contrary, we will assume that Student can consume normal snacks & engage in normal activities for child in Student's age group. FasTrackKids is not authorized to give medication to your child.

**Pickups:** please list only the people besides yourself that are allowed to pick up your child. If the person on this list did not bring Student to the center, that person will be asked to show ID (this is for the wellbeing of your child and so there are no exceptions).

Name	Relationship	Phone #s (cellular phone)

**Cancellations & Refunds.** We make staffing arrangements and other provisions upon enrollment of your child. Therefore, we regret that we cannot offer refunds in the event of your child's withdrawal from our camps. However, we do understand that sometimes a withdrawal is unavoidable. In that case, the unused portion of the tuition will remain on file as a credit to be used within one year from the date of the withdrawal.

**Videotaping & Photographs.** I agree that Student may be videotaped, filmed or photographed during classroom activities for purposes of emailing such videos to myself and for promotional or advertising purposes.

**Emergency Consent:** I acknowledge that it is the policy of FasTrackKids to notify a parent when a child is ill or needs medical attention. I acknowledge that if FasTrackKids cannot contact a parent and they need to get immediate help for the child, the procedure is to take the child to the nearest emergency service or call 911/ ambulance help. I hereby consent to this procedure and further agree to pay all costs incurred.

I hereby state that the above information is accurate and I understand and agree to all of the terms and conditions set forth above

# FasTrack® Camps

**June 11-15 Spencer Learns Sports** - FasTrackKids become professional athletes as they learn the rules and history of sports such as baseball, cricket and many more. Every day encompasses a body warm up involving stretching and yoga as well as fun games and activities simulating the wide world of sports. Children will be actively participating in learning and fitness!

**June 18-22 Under the Sea** - FasTrackKids will dive deep into the ocean and become FasTrack Oceanographers. We will explore animal life and experience the wonders of the ocean through experiments and art projects. Where else can you learn dolphin calls or test the saltiness of ocean water?

**June 25 - 29 Awesome Earth Adventure** - The Earth reveals its wonder and variety as FasTrackKids explore climate, geology, and the amazing forces of nature. Learning Station based activities and games, as well as hands on experiments, allow children to take imaginary journeys examining the compositions of the Earth from its surface to its core.

**July 2 – 6 America the Beautiful** – FasTrackKids celebrate America with a virtual road trip of the country and learn about national landmarks and monuments during this shortened week of programming due to the 4<sup>th</sup> of July holiday.

**July 9 - 13 Creative Arts and Artists** - FasTrackKids express their creativity through canvas painting and sculpture and gain inspiration from the study of famous artists from the past including Van Gogh, Matisse, Picasso, Monet and O'Keefe.

**July 16-20 Magnets, Molecules & Mystery** - FasTrack Scientists conduct experiments involving magnetism, flotation and molecular change of matter. Looking at water in different forms, experimenting with buoyancy and even floating an egg, children will gain an understanding of the scientific observation process and analysis.

**July 23-27 Ready, Set, Travel 1** - During this whirlwind tour of the world FasTrackKids will travel through the amazing countries of India, Mexico, China and Australia. Along the way campers will taste the foods of each culture, experience and demonstrate cultural traditions and create artwork from each land... all without leaving the classroom!

**July 30– Aug 3 Ready, Set, Travel 2** - Get ready to take off again as FasTrackKids discover the rich cultural traditions of Brazil, Egypt, Italy and even their own United States. Campers participate in a traditional Brazilian festival, create their own sarcophagus in Egypt, paint their own gladiator shield in Italy and take a road trip through the USA. Don't forget your passport!

**Aug 6-10 Young Scientist, Old Bones (Dinosaurs!)** - Ever wonder what a day in the life of a paleontologist is like? During this session FasTrackKids paleontologists experience the discovery of an extinct world; digging up fossils, learning about herbivores and carnivores that existed millions of years ago and even creating their own creature!

**Aug 13-17 Anatomy of Me** - The human body is an amazing machine! Discover what goes on underneath your skin through experiments, demonstrations and crafts. FasTrackKids will explore how medicine dissolves in our bodies, what digestion really looks like and how our muscles and bones keep us together!

**Aug 20-24 Destination Constellation** - Blast off to the stars as FasTrackKids become FasTronauts. Explore how astronauts live and work in space through role playing weightlessness and gravity. Investigate the surface of the moon, the difference between shooting stars and comets and discover if there really is life on Mars.

**Aug 27-Aug 31 Rainforest Exploration** – FasTrackKids travel deep into the jungle and learn about the amazing wildlife that the rainforest hides beneath its canopy. Campers explore each level of the rainforest through the study of plant and animal life and even taste what this dense environment has to offer.
